ENVIRONMENTAL NEWS

Creed undertakes multiple tasks around the Parish. He looks after the Bus Shelters, St James Churchyard, Stirchley Allotments, Play Areas, General Maintenance around The Sambrook Centre and the Gardening Service.

We would like to let residents know, the Gardening Scheme which is a scheme for eligible parishioners, is at full capacity.

We have had lots of positive feedback regarding the services Creed delivers, including

"Exceptionally hard working and great man.... Excellent service....

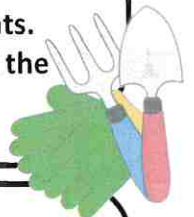

Really nice man who is polite. The service is a lifesaver"

"Creed is a smashing person who always does a wonderful job "

The Team and Councillors would like to thank Creed for all of his hard work throughout the year!

We are also currently at capacity for Stirchley Allotments.

If you would like to join either waiting list, please contact the centre to fill out an application form.
