The amount employees contribute to their pension fund is subject to change; Stirchley and Brookside Parish Council have adopted the following policy to ensure that employee contributions are correct.

1. Shropshire County Pension Fund

Checks against the banding table issued by Shropshire County Pension Fund will be undertaken in the following circumstances:

- Change in employee working hours
- Change in employee salary scale
- If re-banding has been advised by Shropshire Pension Fund

2. NEST Pension Fund

Contributions will be in line with legislation.
